POGO FH League strongly recommends interested players to sign up for Summer POGO as a group. Team registrations are compulsory! Players, whom absolutely no team can be organized or found to play with, can submit an individual registration. We will do our best to assist in placing individual players on a team, on a per person basis, when necessary (but without guarantee). Organize your friends, schoolmates, recruit new players to play POGO and make this summer a fun hockey experience. Check the web site [www.rushfieldhockey.org](http://www.rushfieldhockey.org) for more information on POGO Field Hockey Summer
